November 2021

12th Annual Walk for Freedom

The Palestine Solidarity Alliance an affiliate of the SA BDS Coalition has been in existence for over 20 years embarking on various programmes focussing on justice and human rights globally. One of our key events is an annual Walk for Freedom (WFF) which is held throughout the country as well as in some cities in Palestine. This year communities are encouraged to host the WFF event during the period 26 November to 5 December 2021 to coincide with the International Day of Solidarity with Palestine.

The WFF is organised annually to raise consciousness, awareness and support for the struggle of the Palestinian people to end the Occupation by the Zionist regime and for freedom and human rights.

The WFF has also been a platform for various organisations, communities, schools and scholars to mobilise and raise awareness of issues and concerns of injustice and inequality wherever they may occur. Most importantly the WFF event is a social platform for nation building, community awareness and is a fantastic day out for family and friends to enjoy.

This year we will also use the Walk for Freedom platform to show our support for the workers of Clover who are embarking on a national strike from 22 November 2021 against the MILCO Consortium an Israeli based Corporation who are in the process of retrenching workers. In support of South African workers and the people of Palestine we are calling for a boycott of all Clover products and for the Divestment of the Israeli based Milco consortium from South Africa.

This year Benoni, Cape Town and Johannesburg will host the WFF on the 28th November. Roshnee and, Gqeberha (Port Elizabeth) are planning to host a Neon Evening WFF on the 26th. These events will include a pop-up market and junior soccer tournaments. Many of these events are organised by the youth, encouraging a commitment to community participation and an awareness of global events.

The details of these events are as follows:

We would like to encourage your organisation to participate in one of these events. Alternatively, your organisation could host a sporting or cultural event in your community with a theme focused on Human Rights and Justice.

The building of a community focussed on justice and human rights requires us to all work together, support each other's programmes and campaigns =, rely on our common purpose and learn from each other. The issue of JUSTICE is the thread of unity that brings us together.

Please let us know how you or your organization would like to participate in this 12th Annual WFF so that we can plan together for a successful event. Send your details to info@palestinesa.co.za

We look forward to a positive response from you.
