GAZA HUMANITARIAN CRISIS A CALL FOR SUPPORT

The humanitarian crisis on the ground in Palestine has reached calamitous levels of suffering and desperation. This is the result of over seven months of an orchestrated systematic genocidal assault on the Palestinian population of Gaza.

Trapped and internally displaced in the enclave without basic necessities, and without a means of exit, we are witnessing the worst extension of what is the Palestinian Nakba.

Right now, Gaza desperately needs the collective efforts of all aid agencies to help stem the imminent famine and health crisis that permeates every part of the 365km² of Gaza.

As we write this, we note with horror that since October 2023 over 35000 people have been killed in Gaza, 14500 are children. 80000 people have been injured and more than 10000 are missing, lost under the rubble. For those still alive we recognize that tens of thousands are orphans and widows all destitute and in need of humanitarian aid and our support.

The fact that more than half of Gaza's homes have been destroyed or damaged only aggravates the suffering and hardship. It is for this reason that we have embarked on a partnership project with Gift of the Givers.

The Palestine Solidarity Alliance (PSA) together with our partners hope to raise funds to supply a significant number of durable tent structures within the next few months. We have already identified a supplier who is ready to start production as soon as we have the necessary funding. Through Gift of the Givers teams on the ground we will be able to transport the finished tents to Gaza and they will also assist in erecting these structures.

We are thus calling on all those who care for humanity and have the means to donate towards this essential project. Having a place to go to, a home, even if it is a tent and even if safety cannot be guaranteed, remains a vital necessity for life and for rebuilding. We remain confident that this war will end and that the restoration of Gaza will be achieved and thus continue our efforts to support the needy amongst humanity.

Donors can deposit directly into Gift of the Givers Foundation Account or the Palestine Solidarity Alliance Account.
